Hi Gary –

Here are the final BHHRA tables. Sorry the dwg file did not work for you. I am still working on rounding up the BERA information – the URS folks are out of the office, so it may be Monday morning before I can get that to you – let me know if that is too late and I need to try to figure out something else. Sorry for the delay.

Eric,

Here is the next request for tables: all tables from the Final Baseline HHRA. We we not able to use the dwg file, so when we get the figure list I will pass it on to you for editing the figure numbers, etc.

Thanks,
